**Pet Fix** only aids with the initial cost of de-sexing.

Any subsequent vet visits are not the responsibility of **Pet Fix**. Additional payment is required if your animal is pregnant or in season.

**Pet Fix** reserves the right to decline any application. (Please note that prices are subject to change and rely on the best prices we can find in Dunedin, as well as fundraising and grants.)

We will let you know which veterinary service is helping us at the time. Generally, knowing you have transport to the Mosgiel and North Dunedin Areas are an advantage, otherwise please fill in the transport option below.

PLEASE NOTE: APPLICATION DAYS ARE SET TO TWO DAYS PER MONTH. IF YOU HAVE NOT HEARD FROM US, YOUR APPLICATION MAY BE ON THE LIST TO BE PROCESSED. YOU MAY WANT TO CALL US IF IT HAS BEEN MORE THAN A MONTH TO CLARIFY.

REJECTED/UNSUITABLE APPLICATIONS OR THOSE WITHOUT A COMMUNITY SERVICES CARD MAY OR MAY NOT GET A RESPONSE DUE TO HIGH DEMAND AND LIMITED TIME AVAILABLE.

It is the responsibility of the owner to organise or provide transport to and from the vet clinic unless otherwise arranged.

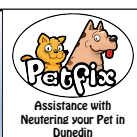

Please be aware that we are a charity and not a service.

All of the people that work for **Pet Fix** are volunteers and have separate full time careers.
